

Consent for Treatment During the COVID-19 Pandemic

Healthcare offices, including Evergreen Valley Dental Office, have implemented safety measures to help protect patients and staff during the COVID-19 pandemic. These measures include, but are not limited to, adherence to guidelines from the Centers for Disease Control (CDC) and the Occupational Safety and Health Administration (OSHA), along with best practices for personal protective equipment and exposure control.

Despite these precautions, no procedure can fully eliminate the risk of exposure to COVID-19. By signing below, you acknowledge this risk and agree to proceed with your prescribed dental treatment with this understanding.

Note: as of 2026, our office reviews this consent periodically and may retire it if no longer required by current public health guidance — please ask our front desk if you have questions about our current policy.

Patient Name (Printed) _____

Patient Signature _____
